**Fall Field Conference
November 3-5, 2017**

**Geology and Mining Districts
Near Beatty, Nevada**

Join us in Beatty, Nevada November 3-5 for a rough and rugged 4x4 field conference. You supply the 4x4 field vehicle, and we'll guide you on a tour of Beatty's gold and fluorospar mines, among others.

We will be meeting and eating at the VFW hall in Beatty where stick-to-your-ribs, down-home food will be served (i.e., bring your own vegan or gluten-free items). The schedule is still being finalized, but here is what we have so far:

Friday, November 3, 2017

Social at the VFW hall to include hors d'oeuvres and beer. Bring rocks, minerals, maps etc to sell/trade.

Saturday, November 4, 2017

Continental Breakfast at the VFW followed by the 4x4 field trip to see the Beatty area mines and geology (bring your own lunch). In the evening, we will have happy hour, dinner, and a speaker at the VFW hall.

Sunday, November 5, 2017

Continental breakfast at the VFW followed by exploring on your own or heading home.

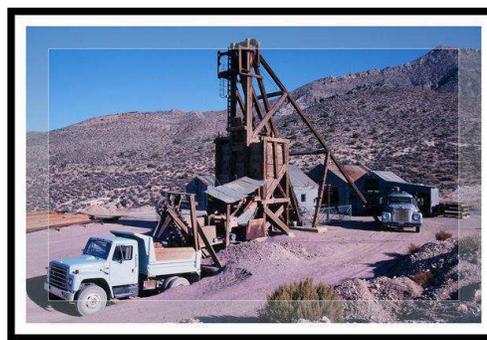

Participants can secure their own lodging at Beatty hotels:

<http://www.beattynevada.org/accommodations.htm> or

campgrounds: <http://www.beattynevada.org/rvparks.html> .

The field trip will be limited to 25 participants, so email

Winnie.Kortemeier@wnc.edu with your intention to attend.

There is only one field trip offered. It will be a 43-mile trip through the historic mining districts of Beatty Nevada. If you have a 4x4 vehicle please bring it as the trail is rated 3 to 4. We will try and accommodate those who don't have a vehicle with those who do. Please let us know in advance of your transportation needs.

There are several motels in the area but very few eating establishments and no grocery store. There are RV parks in the area along with several camp grounds.
